While you find your way about the city,  
we're finding ours around the world.

Along with group companies Sembawang and Simon Carves, Punj Lloyd today has a truly global presence. You'll find our projects at work in over 60 countries, ranging from Libya to Indonesia, Kazakhstan to South Africa, Mexico to Hong Kong, USA to New Zealand. But then, when you're into as many verticals as we are, spreading horizontally is only inevitable. The truth is, we'll always go the extra mile, for you mean the world to us.
