

Punj Lloyd arm nets \$282 mn order

New Delhi: Punj Lloyd's wholly-owned subsidiary in Singapore, Sembawang Engineers and Constructors, has received a S\$400 million (\$282 million) contract for building casino, theatres and retail arcade in the city state. The contract has been awarded by Marina Bay Sands to build the Marina Bay Sands integrated resort's north podium, which includes casino, theatres and retail arcade, a company release said. Work on this landmark project will start in February and is expected to be completed by April 2009.
