CRYOGENIC & OIL STORAGE TANKS | TERMINALS

Three LNG terminals and LPG tank farms in India and over 300 tanks globally. We have constructed over eight million cubic metres of storage capacity and are one of the very few companies providing in-house cryogenic design to complete EPC services.

Our team of 15,000 multicultural professionals across 16 international offices, seamlessly delivers global projects in energy, infrastructure and defence.

Whatever the terrain, wherever the challenge, we get it done. The Punj Lloyd Way.
